## Membership Types

There are four types of memberships at the Alaska Sailing Club:

1. Family Memberships are "full memberships", intended to include "a family group living under one roof". Adult children (25 and over) are encouraged to purchase their own membership if they intend to use the club independently. Adult children (over 21) must purchase their own membership if they intend to use the club independently. Adult children (and any other family members living outside the house) are of course always welcomed as guests assuming they have a sponsoring member present. The cost of a Family Membership is \$500.00.
2. Single Memberships are full memberships, intended to cover one adult aged 21 or over. The cost of a Single Membership is \$250.00.
3. Junior Memberships are a full membership and are intended for individuals under the age of 21. The cost of a Junior Membership is \$100.00.
4. Associate Memberships are available only to non-active individuals who do not utilize club facilities but wish to maintain an association with the Alaska Sailing Club. The cost of an Associate Membership is \$25.00.

## Benefits of Membership

1. The use of our club facilities, our club fleet and learning to sail and the enjoyment of sailing.
2. There are a number of spaces available for long and short term and transient camper/RVs and small boat parking. Transient spaces are on a first come basis. A waiting list is maintained

by the Senior Vice Commodore. There are also some places for tents.

3. There are eight available moorings available in the Alaska Sailing Club harbor. The annual fee for use of a mooring is \$100.00. A waiting list is maintained by the Harbormaster.
